

A BRIEF REPORT OF THE SCHOOL

The journey of DAV Public School, E.C.L, Pandaveswar for the last 26 years has been an enduring one with all efforts pooled in to focus on nurturing the institute to achieve the status of an important contributor in the field of education. Going down the memory lane which is as long as 26 years, I would like to quote Erik Pevernegie, the Belgian Painter-Writer –

“An innocuous flicker from a hazy sequence in our memory lane can affect our current awareness, making us raise questions, throwing new light on our expectations; crafting an airy vision of the future.”

The sequence in our memory tells the story of the growth of this school which registered its footings in the year 1994 with merely 104 tiny tots and a small number of teaching and administrative staff in a humble small building. Though the beginning was small but dreams were not. The brick laying for reaching the heights once initiated never halted in the last 26 years as the school kept on adding to its journey the most important milestones like adding to its infrastructure, growth of student strength, appointment of competent teaching and administrative staff, earning the status of affiliation from the Central Board of Secondary Education both for Secondary and Senior Secondary level. This journey can also be marked as an envisage towards grooming the learners as potential contenders for the future of this country. Development of moral values, sound health, inherent talent and skill has remained under the spotlight for the last 26 years with ample infrastructural support extended by school management from time to time. The youthful vigor of the school at its present stage of 26 years is all ready to take a stride towards maturity by applying the best effort to hold the flag of achievement high in the years to come. Presently the school is having more than 2000 students and more than 100 teaching & non-teaching staff members.

ACADEMICS:

We believe that every individual has a lot of potential, and that potential can help accomplish wonders. That is why, it is fair to say that we thus believe that the future of the world starts here. The academic session of 2019-2020 was a great year, and I consider it a moment of pride to showcase to you all the achievements and development that the school, staff and students undertook.

School Certificate results reflect the outcome of a consistent work ethic and respectful learning and teaching partnerships between students and their teachers. With high expectation the students started their journey through the year 2019-20. The academic prowess of the students were proved again with high percentage of success in the class X and XII examinations. Class X students of 2019-2020 academic year excelled in the AISSE 2020 Examination. Out of 169 students, 28 students made us extremely proud by securing above 90% marks with an average QPI of 70%. It is also noteworthy to declaim that 111 students did score 60% and above in the AISSE 2020. Master Subhadeep Mondal reached the altitude of 97.80% in the scoring sheet being followed by Master Jagannath Ghosh with a score of 97.60% and Master Debasish Kumar with a score of 97.40% securing the 2nd and 3rd place respectively in the AISSE 2020. The candidates who appeared for class XII AISSCE 2020 did put their effort to bring out some worth mentioning performances. Out of 106 students 7 students secured more than 90% marks, 35 students secured more than 75% marks and 70 students secured more than 60% marks with an average QPI of 68.31%.

Master Aditya Kumar Vishwakarma from Science stream topped the table of AISSCE 2020 by securing 95.80% whereas Master Koushik Pan from Science stream and Miss Sarita Kumari from Commerce stream secured 93.80% and 93% marks to hold the 2nd and 3rd place in the table respectively.

GAMES & SPORTS:

Promoting sports & games through school curriculum has become the most coveted effort in today's education scenario. We are always open to provide the best opportunities to our children so that they can also share the platform with the prominent contributors in the field of games and sports in near future. Many of our budding sportsmen and women have registered their firmness by securing top positions in different events held under the banner of DAV National Sports and Games, West Bengal Zone and the Cluster level and National Level competitions organized by CBSE. Beside participation in various games and sports activities the students of our school are also participating in various other competitions conducted by the E.C.L and other organisations and the students are performing well in such competitions.

TEACHER EMPOWERMENT PROGRAMME:

Influence of teachers in a classroom is immense, hence the schools cannot deny the fact the teachers need to remain updated to create the best student friendly atmosphere in the classroom. Keeping in mind the recommendations of The National Curricular Framework of India(NCF) we have been complying with the teachers training programmes. The school has already complied with the Master Training Programmes at Secondary & Senior Secondary level organized by the Regional Training Centre, West Bengal Zone under the able guidance of Madam Papiya Mukherjee, Asstt. Reg. Officer, DAV Public/Model Schools, West Bengal Zone and supervision of DAV Center for Academic Excellence, New Delhi. In addition to this Zonal Level Teachers Orientation Workshops conducted by CBSE from time to time have been attended by the teachers.

TECHNOLOGY and INFRASTRUCTURE:

To depart the best in the field of learning, the school has been adding to its infrastructure by constructing new rooms to its existing blocks. The

aid in terms of finance has been ceaseless from the sponsoring authority of E.C.L, Pandaveswar Area. We are truly indebted to the care and concern showered on us by the E.C.L authority whenever the need has given a call. The school has already updated its Computer Lab comprising of latest computers. The school has also the envisage to install CCTV surveillance in each and every classroom for better monitoring of the proceedings. The smart classrooms already in operation are going to be more effective as the teachers have been receiving the required support and training to serve to the learners in the classroom environment. The school has also the plan to reconstruct its website to enable the interested onlookers with better and updated information.

I have the pleasure of proclaiming that our school has achieved a new benchmark by being certified as "FIT INDIA SCHOOL" by the Ministry of Youth Affairs and Sports, Govt. of India.

OUR SCOPE AND FUTURE:

We should embrace a philosophy which may guide us in such a manner so that we can be proud of what we have accomplished. However, it is quite understood that the world outside is becoming increasingly dynamic and the pace of change is accelerating. Under such situation we need to update ourselves from time to time. In the journey of last 26 years the sponsoring authority i.e, Eastern Coalfields Limited, has been extending their whole hearted support in all the necessary fields for development of the school. My sincere gratitude to the E.C.L authority for rendering continuous support to overcome the shortcomings and to enable the school to grow further. We are hopeful of getting the same support from the E.C.L management in the years to come.

Since success remains to be our objective, I would like to bring a closure to my words by quoting Retired General of U.S. Army, *Colin Powell-*

"There are no secrets to success. It is the result of preparation, hard work and learning from failure."
