Although the school has been severely affected by the pandemic, whereby the school is not only drained financially but also our teachers as well as staff are being infected by the deadly virus and the school is duty bound to support them in these difficult times at least by paying them their salary on time without any deductions.
2. Even though the school reopened for classes IXth to XIIth in the month of February 2021, in compliance with the government notification dated 04.02.2021, however due to sudden spike and surge in COVID-19 cases, caused by the second wave of the pandemic, the school administration has decided that the school will function online till further orders.
